GSPCC Field Dog Tests – Ontario – May 19 & 20, 2012

This year's Ontario field dog tests were a great success. We ran one FDX test on each day, two FD and FDJ tests on Saturday and one of each on Sunday. This new format for our club's tests proved to be very successful. We had an entry of 33 (5 FDX, 18 FD, and 10 FDJ) on Saturday and another 16 (4 FDX, 7 FD, and 5 FDJ) dogs on Sunday.

The field tests raise funds that are used to support other GSPCC initiatives and events throughout the year. It takes a lot of hard work to run field tests. A special thank you to everyone who helped out including the gunners, the bird planters, the judges, the test secretary, test chair and our chef, Omar Parris. If you have never attended a field dog test – consider coming out and giving it a try. The atmosphere is very welcoming and friendly and nothing beats seeing the dogs doing what they love out in the field.

Congratulations to everyone who had a successful run. Among the GSP triumphs are Tony Marziano's two girls Abby and Sasha - both of whom earned two legs of FDX, Alex Colic who finished Caesar's FD, Dennis Penuta who put two legs of FD on Noble and one on his littermate Regal, Kerri Morris who finished Apex's FD, and Nick Holzinger who finished his girl Coco's FD.

Proud breeder/owner Dennis Penuta with "Noble", finishing his FD at the Brittany Club's test the following weekend & earning Top FD of the day. Pictured with Judge Craig MacDonald and apprentices Tammy Parris and Don Conron.

The US GSPCA Nationals – Phoenix, Arizona – April 2012

by Heather Brennan

This year's US Nationals were held in Phoenix, Arizona. The US Nationals are an event worth attending if you have never been. It's a chance to see a lot (and we're talking 200+) GSPs in the ring and dogs that are just pictures in magazines up until then. It's also a great opportunity to meet up with online friends from across the continent and sometimes even further away. I've met breeders from the UK, South America and Australia at Nationals before. This year's Nationals were no exception and there were several Canadians there despite the distance. Among the Canadians that I got to meet (and hadn't met before) were Janna Jackson and Angel Wagner. I also got to reunite with Diane Nowlan whom I hadn't seen since the first Canadian Nationals in Alberta all those years ago. All of the Canadians with entries took home placements.

The US Nationals is a week long event and usually includes one or two regional specialties as well as the Nationals sweepstakes, futurity, regular classes, non-regular classes and Best of Breed competition. This year's show started with two regional specialties at the start of the week. As I don't have complete catalogue results, I can't give you a complete list of their accomplishments but I know that several did well.

Despite the intense heat, most of the dogs handled it very well. The ring was set up under a tent to keep things somewhat shaded and there were pools of fresh water for the dogs. At ringside was a table with prizes and ribbons and a beautiful flower arrangements accompanied by a photo and memorial to Maggie Greenwood (Mysteryhill GSPs). Maggie handled floral arrangements for the Nationals for many years. Everyone loved her spirit and friendly attitude and she is very much missed.

Wednesday started off with Futurity. The judge was Lucretia Coonrod of Kan-Point GSPs.

I hadn't expected to be there until late Thursday but we made good time and arrived late on Wednesday evening. (Yes, we drove there from Ontario. Long but very pretty drive.) So, we were in time to see Sweeps on Thursday under judge Karen Nauer of Voyager GSPs.

Thursday evening was the traditional Margarita Party. The usual scandalous tattooing occurred. That is all that can be revealed without tarnishing many a good name.

Friday was the regular classes with Karen Ashe, Scanpoint GSPs, judging dogs and Suzanne Dillin, of Brazos River GSPs, judging bitches. In the midst of judging dogs a new class was added – the Amateur Novice Handler Class. This class featured a wide variety of specimens including the miniature GSP (aka a GSP puppy handled by Terina Chernich), the old farts (dog Donald Schwartz and handler Steve Dattilio), the wooden GSP (handler Barbara Schwartz), the serving GSP (handler Greg Hostetter), and several unique versions of the breed including a Dalmatian, a dachshund and a beagle. Maxine Moinier was in charge of spritzing the entries to ensure they stayed cool. This class had the audience in stitches and I think the judge was close to peeing her pants she was laughing so hard. The miniature GSP ("Dolce" Hunterspride Sweet Dreams Farook) ultimately won the class after shamelessly bribing the judge with kisses.

Friday evening was the Top 25 gala. Canadians were represented by Can Am GCh Nuthatch's Awakenings. Although Lucy didn't win anything, we were very happy with how she and Sarah looked and very proud that they qualified as a top 25 GSP in the US and the #1 solid liver last year. This event was organized by our own Maxine Moinier.

Saturday proved an especially hot day. The Best of Breed judge, Suzanne Dillin, worked tirelessly but by the end of Best of Breed both dogs and handlers were pretty hot.

Many of the visiting Canadians took the opportunity to do some sightseeing while there with the most popular spot being the Grand Canyon. I highly recommend seeing it if you have never been there. Truly an amazing sight.

Congratulations to all the winners and especially to our Canadian winners and all the Canadian connections behind many of the winning US dogs. In particular it is worth noting that Maxine Moinier's BISS Am Can Australian Ch Hunterspride The Canadian Way FDJ, JH ("Elliot") sired the Winners Dog, the winner of the Bred By bitch class, second in the 9-12 bitch class, and the first and second placements in Junior Futurity (dogs) and 9-12 month male puppy classes (from which the Winners Dog came). Although Maxine did not breed these dogs it goes without saying that their sire contributed to their success. Next year is the 50th anniversary of the US Nationals and they have some big events planned. It will be held in Pennsylvania. I think we should send a huge Canadian contingent ☺
