YOUR SUPPORT IS URGENTLY NEEDED

We would like to once again advise our club membership that some members of the Canadian Veterinary Medicine Association (CVMA), through its provincial associations, continue on their push to implement a Veterinarian ban on cropping, docking and dew claw removal. The GSPCC has sent letters to the Canadian Kennel Club objecting to the CVMA calling the procedures of tail docking and dew claw removal as cosmetic (copy of our club's letter was mailed to the membership in 2009).

At this time, we urgently need you to show your support by writing to the College of Veterinarians of British Columbia by their established deadline of November 1st. For more information visit www.cvbc.ca and go to the tab General Topics. We will be sending you a separate email with a suggested letter to mail.

Please join us in saying **NO** to the Canadian Veterinary Medicine Association (CVMA) and its provincial associations, on their push to prevent those Veterinarians from offering the services of tail docking and dew claw removal to their breeder clients.

For more information we invite the GSPCC membership to visit the K9 Alliance website at: <http://www.k9alliance.com/resources>

Please also visit The Canadian Kennel Club website for a copy of The Canadian Kennel Club Policy Statement - Tail Docking and Dewclaws - September 2010.

7. Rescue service

Discussion took place on establishing a Rescue Service for the Club. This discussion is on-going and carried over from our February 2009 meeting. Although this agenda item was not put forward as a motion, we received 6 votes in favour of organizing a Rescue Committee. A proposal will be added to the next meeting agenda.

7A Position of Rescue Coordinator

Maria Foster proposed approaching Heather Brennan to become Rescue Coordinator as she has had extensive experience in doing rescue for the club in previous years and has also participated in rescue and fund raising for the Siberian Husky club. 8. Old business - carried from meeting of Feb. 2009 - Holding Field Trial in Alberta

This agenda item to be brought forward to the next meeting as Arwen needs a definitive answer. The GSPFCA is volunteering their spring dates and if the GSPCC doesn't want to hold a trial next spring, they need to know by September as they will then need to apply for a date for their own trial.
