Finally!!!! It was here. The GSPCC 2010 National Specialty Show was held on July 16 in conjunction with the Evelyn Kenny Kennel and Obedience Club's 25th Anniversary Show in Springbank Park on the edge of Calgary, AB. Several months of planning and organizing, e-mails and phone calls were coming together.

Thank Yous

I would like to take this opportunity to acknowledge all of the people whose hard work and enthusiasm made this specialty show possible. The 2010 Specialty Show outstanding member contributions:

Angel Wagner for her co-ordination of trophy donations, trophy purchase and procurement and for her liaison work with our show secretary and for answering all the phone calls and e-mails that came her way.

Kate Dowson for her complete and total organization of our specialty dinner from menu to caterer to all final preparations .. We could not have done it without her.

Mary Ellen Whyte for her talents at obtaining unique and wonderful donations, for organizing the judges gifts, ring stewards and for her advice and help at all levels.

Tammy Parris for dealing with our lawn sign raffle, advertisements and on line information stream for all exhibitors.

Janna Jackson for taking control of our GSP Booster prizes for EKKOC and having an answer for all the little things I asked of her.

Sheena Malone for judging our Junior Handling, helping with hospitality, ring stewarding and anything else we can throw at her.

Dale Schindel for making another set of unique ring markers that will be graciously donated to our raffle.

Lori Stewart for agreeing to judge our Canine Good Neighbour Test for the club.

And to all the others who helped in even the smallest way, I truly appreciate all your talents and dedication to the success of this event. I could never have done it without you.

the Field Girls during judging

Following the completion of the show, Mrs. Billings was presented with a lovely ammolite pendant. Gemstone quality ammolite is only mined in southern Alberta so this seemed as though it would be a fitting way to say thank you to our judge and give her a beautiful souvenir of her trip to Alberta.

Junior Handling was judged by Sheena Malone (Littlefeat Miniature Pinschers). Thank you for doing an excellent job. We were fortunate to have a number of entries. Thank you to the owners who graciously allowed their dogs to be handled by the juniors. Thank you to the many juniors who entered, you looked great. The eventual winner was Sarah Grant.

The GSPCC also hosted a Canine Good Neighbour Test on Saturday evening following Best in Show. Thank you to Lori Stewart (Artwork English Setters) for evaluating our test. We had 13 participants and all of them passed. Thank you also to the volunteers who helped out with the test. The test would not have been a success without our eclectic "milling crowd" or the "mother and her stroller, complete with monkey baby".... Ladies, Thank you!!!

"Annie"

The Specialty Dinner on Friday evening was amazing

Thank you to Kate Dowson for organizing and taking care of the details for the dinner. The whole roasted pig smelled delicious (and tasted even better) and pulled us along towards the banquet room. The banquet room was packed with prizes and donations supplied by the many supporters of the show. Raffle tickets for the yard sign and the other prizes, including the beautiful handmade ring markers made by Dale and Sandra Schindel in memory of their girl, "Madey" Ch. Featherquest Made YaLook FDJ, sold quickly as everyone was in the buying spirit. Thank you to our many ticket sellers who used their wives to get sales for a great cause. It was a wonderful opportunity to get to spend time with people you might not normally get to spend time with. A special "shout out" to Mike Foster for coming out to the Specialty with his girl Pilar and thank you (Mike and Maria) for making arrangements to take one of the rescue shorthairs home with you. Another "shout out" to Betty Jane Reece-Weaver for making the long drive from Idaho in your little car with Mojo and Missy. And although they live close to Calgary, it would be remiss not to send a "shout out" to Steve Short and Arwen Dabb. Steve and Arwen, it was a treat to see you at a Conformation Event. Hopefully we see you at many more. A special "shout out" to Larry and Cheryl Johnstone who travelled all the way from Unity, Saskatchewan to be with us. And finally a "shout out" to the Manitoba girls, Kate McKinnon, Colleen Nichols and Sherri Wells who fit themselves, 4 GSPs and at least a couple of weims into a minivan to make the drive from Manitoba. The Manitoba girls won so much stuff during the prize draws that we were starting to take bets on which one of the dogs was going to have to be strapped to the roof in order to fit all their loot into the van.

Jassen Jackman acted as the MC for the evening and, by all accounts, did a great job. An evening of camaraderie and feasting was capped by the prize draws and the presentation of a special thank you. In the end, Jassen Jackman won the large yard sign. It will look wonderful on the acreage he is planning to purchase for his wife and the dogs.

Jassen also worked with Angel Wagner to develop a slide show in which Karen Ibbitson and her Malhaven Kennels was highlighted. After breeding German Shorthaired Pointers for 35 years, it is hardly surprising that many dogs in Canada and the USA show a Malhaven bred dog in their pedigree somewhere. The slide show presented by Jassen was funny and touching and it was amazing to see a number of our breed's great "old dogs" and many of today's breeders featured in it. Karen acted as the Chairman of the National Specialty Show planning committee and we thank her for all her hard work and dedication. A Dannyquest bronze was presented to her with our appreciation.

Thank you to all of the members of the National Specialty Show planning committee for all your hard work, time and effort. And thank you to all of the club members who made trophy donations and raffle prize donations. The success of this show is reflected in your generosity. The Alberta Membership can't wait until the next time they get to host another National.
