German Shorthaired Pointer Club of Canada

July – December 2022

On The Cover:

CH Fondcombe Galadriel's Gift CGN PDC RN TDCH "Gala"

Gala had a great year in 2022, she went High Score in Rally at the National Specialty with SD&G in August, she also finished four titles (her CH at St-Lazare this summer and her RN, CGN and PCD at Terrebonne in September). Pictured with her owner, Siobhan Marguerite Martel at the Terrebonne weekend. Bred by Anie Goossens. CONGRATULATIONS !!

As another year comes to a close, I thank you for your continued support of the GSPCC, on behalf of the Board of Directors.

Lise Céré

President, GSPCC

GSPCC Water Tests – July 30-31 at Binbrook Conservation, Hamilton, ON

After two years of not holding Water Tests, we came back in full force and held another weekend of fun in the water with our dogs. We had entries in Water Dog Junior, Water Dog and Water Dog Excellent, with dogs titling in all 3 categories. We are grateful to our judges Kevin MacWilliams, Jack Dafoe and Mike Leitch for spending so many hours with us so that owners could test their dogs. Special thank Us to Kade MacWilliams for all his expertise and work at the launchers, and to Fred Staub for keeping those decoys in the water and tracking down any wayward dogs on his canoe. We welcomed GSPs, Weimaraners and a Pudelpointer and enjoyed watching their expert duck retrievers. Looking forward to another weekend of tests on August 5 & 6, 2023.

Congratulations to Saturday's qualifiers:

Water Dog Junior

GSPCC Field and Water Tests – June 17-18-19 at Meander River GSPs, McKay Section, Nova Scotia

Henry Stern and his group held very successful Field and Water Tests on the weekend of June 17, 18 and 19th. The GSPCC is so happy to see that our club is back holding tests in Atlantic. Plans are under way for more GSPCC Field and Water Tests in 2023.

GSPCC Regional Specialty – November 26 with the Caledon Kennel Association – Orangeville

Our club held a Regional Specialty and Booster Shows in conjunction with the Caledon Kennel Association at the Orangeville Fairgrounds the weekend of November 26-27. We hadn't been back since 2019 so it was nice to connect again. We were also able to host a potluck and mingle with members and other exhibitors in a relaxed way. Our Specialty Judge was Sean Delmar from Ireland who was very easy going with the dogs and exhibitors. Our Sweepstakes Judge was Terri Corneil (who is also a Field Dog Test judge) from Ontario.

A special thank you to club member Genevieve Munro for donating the BOB and BOS prizes which were treat jars with GSPs painted on them. Genevieve also painted our 2018 NSS prizes.

Specialty Sweepstakes – Judge Terri Corneil

From Cristina Ralph - Ontario

Blaise achieved his Water Dog (WD) title this summer! He was able to do it in three straight passes with the top qualifying score in all three of his runs! I am super proud of my boy! Next year we'll give Water Dog Excellent (WDX) a try!

Thank you to the judges, the German Shorthaired Pointer Club of Canada, Maria Foster, Kevin MacWilliams and everyone who worked hard in running such a well organized and fun event!

Wednesday and Blaise had a great day at Northquest Canine Sport & Training Facility!

This was their second dock diving event ever and so happy to report that Wednesday achieved her Dock Master (DM) title with a personal best of 22.6 feet.

Not to be outdone by W, Blaise achieved his Senior title and then decided to jump all the rest of his three jumps at the Master level with a personal best of 22 feet, and with that obtained his Dock Master (DM) title!

Great effort put in by Greta at the Red Barn Event Centre scent detection trial. She did a stellar containers and interior search (two rooms to clear), thus getting her last two Q's needed to obtain her Scent Detection Excellent title!

So proud of my girls who put in a great effort and worked so diligently at the Belleville & District

Kennel Club scent trial held at the scenic camp grounds on Lake Ontario.

Wednesday achieved her Scent Detection novice title and Greta got her Scent Detection Interior Master title!

Lastly, in December at the Red Barn Event Centre, Greta got her Exterior Scent Detection Master title! She now only needs her master container search title to complete the three titles!

Thank you Canadian Kennel Club for Wednesday's Versatility Novice (VN) and Versatility Advance certificates!

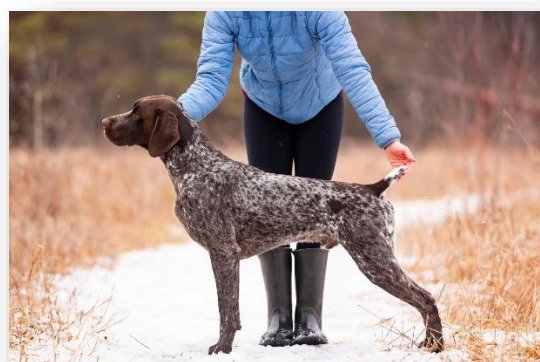

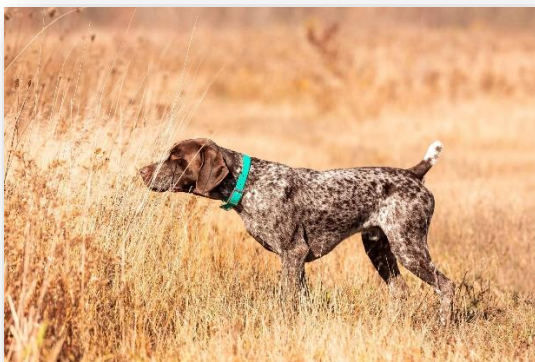

New Rally Advanced title for Wednesday at the Georgina Kennel & Obedience Club! So very proud of her focus even with waiting all day between turns to go.

Thank you to the German Shorthaired Pointer Club of Canada for awarding Wednesday with the Versatility Dog title certificate. I am very proud of her achieving this award.

She did it! Wednesday earned her Companion Dog (CD) obedience title in three straight passes!

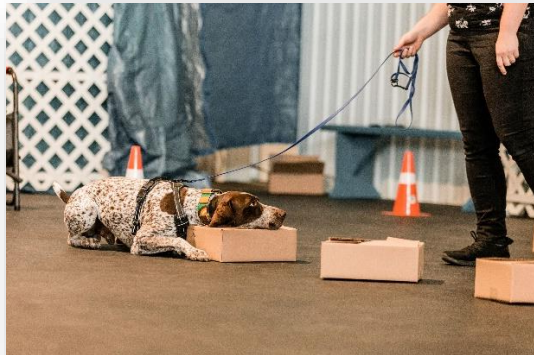

Thank you Canadian Kennel Club for Blaise's Versatility Bronze (VB) certificate!

That's all for them!

From Deanna Glasgow – Ontario

UKC Nosework

Wallace attended three trials this year so far and earned his Novice Vehicles (NI), Advanced Containers (AC), and Novice Exteriors (NE) element titles. This also completed his full UKC Novice Nosework (NN) title.

Findley completed his Superior Containers (SC), Advanced Exteriors (AE) element titles. He completed his UKC Advanced Nosework (AN) title.

GSPCA National Specialty (May)

Wallace placed second in the Open Dog class at the American National. He also earned two legs to his AKC Beginner Novice obedience title with second places.

Findley completed his AKC Beginner Novice obedience title with a first place and earned the first leg to his Preferred Companion Dog title with a first place.

Other Events

Findley finished his CKC Companion Dog (CD) Obedience title in June. This is my first time earning this title with any dog and it took a lot of training and preparation in order to be successful.

Earlier in the year his CKC Rally Excellent title was completed as well - we had a few NQs - remember to practice your sit stays as that cost us a Q or two!

Findley also finished all required elements (Interiors, Containers, and Exteriors) to finish his SDO (Scent Detection Open) title in April.

We also tried Barn Hunt again after a 3+ year hiatus - we competed in New York and Ontario and Findley was able to achieve his RATS title - the second highest level offered by the Barn Hunt Association. Barn Hunt is a fun scent based sport (rat safety is paramount) and the titles are accepted with CKC, AKC, and UKC.

From Maria Foster & Susan Riemer - Ontario

Ms. Gema has been busy in the show ring this year but we want to brag about her “field abilities”. After the 2 FDJ Q’s she received in the spring with her buddy Rich Ralph, she received her last one at the BSCO tests in September and CKC sent us her certificate.

We will be training for the summer Water Tests in 2023 in addition to doing more showing.
